Sir A. P. Patro,

Minister for Education,
Fort Saint George,
Madras.

Sir

I most humbly beg to bring the following few lines into your kind consideration.
Law Ed 2724
25.1.26

The Jains in this district form a large and influential minority community which is most backward in education and though the District Educational Council is intended to help the cause of education specially of backward communities, it is most regretful that there is not even a single Jaina member in the said Educational Council. I may be permitted to say that both these facts were brought to your honour's kind notice during your honour's recent tour over this district.

I, being the only Jaina graduate in this district am very anxious to serve the cause of my community, especially in its educational needs and as my desire will be strengthened by being a member of the District Educational Council, I most humbly request your honour to be good enough to nominate me to the said Council.

I most humbly beg to remain,

Sir,

Your most obedient servant,

Referred to the President, District Educational Council, South Kanara, for remarks (By order)
